MUG24072

1200ml Polypropylene Enduro Mug

Material: Stainless Steel • Polypropylene

Product details: The Polypropylene Enduro Mug is expertly crafted from high-quality, durable stainless steel and polypropylene and boasts a generous 1200ml capacity. It features thermal insulation to keep your beverages cold for up to 6 hours. Built for comfort and convenience, the Enduro Mug includes a comfortable grip and the non-slip bottom ensures stability. Additionally, the mug's cup holder-friendly design ensures it fits securely in most car cup holders. The versatile lid offers three drinking positions: a sip option, a high-quality straw for refreshing cold beverages, and a drink mouthpiece that enhances your experience. The third position is a seal function, allowing you to securely close the lid between sips. The mug is elegantly packaged in a kraft box. *Please note that this product is not microwave or dishwasher safe*
